@kgonzalez81

## Info

A mid-level full stack developer with a continuously expanding technical knowledge base ready to face challenges head on. A driven, focused, adaptable professional who is results-oriented and a fast learner. Proven track record of meeting goals, deadlines, and stakeholder expectations. Self-motivated, disciplined and accountable. High level of emotional intelligence and strong team member. Currently looking for a remote position with the opportunity to continue to grow and advance my skills.

## Experience

**Software Developer**, Zillion Group; Norwalk; May 2018 - present

- Develop dynamic healthcare web application using React/Redux and Ruby on Rails.
- Collaborate with cross functional team to deliver web application features

**Software Engineer**, Synctree; Los Angeles (Remote); Apr 2015 - October 2017

- Developed applications for clients using Ruby on Rails, React/Redux and Node.
- Collaborating with an internationally distributed team to solving technical issues

**Freelance Developer**, Fingage; San Francisco (Remote); February 2017 - August 2017

- Six month ramp up to launch FinTech React project.

**Freelance Developer**, Mainstream Computing; Buffalo (Remote); Oct 2015 - Jan 2016

- Implemented new components to a legacy Ruby on Rails project.

**Freelance Developer**, Carespotter; Orlando (Remote); Apr 2015 - Oct 2015

- Created new features to a healthcare SaaS RoR project in an Agile environment.

**Ruby on Rails Development Intern**, Foodie Magazine; Hong Kong - Jan 2015 - Mar 2015

- Built a proprietary CMS platform focused on food related publications.

*Freelance English and Soft-skills Trainer*, Self-Employed; Hong Kong - Aug 2013 - Jan 2015

- Performed skills-focused language training for local Hong Kong professionals involving programs to improve writing, presentation, meeting and negotiation skills

*English Instructor*, Wall Street English, Comunicorp, Apollo English, Bang Pa-in School; China, Chile, Vietnam, Thailand - June 2009 - May 2013

- Taught English to a wide array of students and delivered onsite English language training for corporate employees across a variety of sectors.

*Product Manager/Systems Division*, Tech Data; Clearwater, FL - August 2006 – March 2009

- Managed daily business operations for multiple high volume/strategic product lines including direct P&L accountability, new item set up, and special pricing.

*Financial Advisor*, Morgan Stanley; Plantation, FL - March 2004 – June 2006

- Managed clients, investments and accounts for an international investment team.
